Model Trains Physical Damage Insurance

Gulfway Insurers has been in business for over 25 years and has designed Specialty Insurance programs such as coverage for Truck Driver Training Schools, Motorsports Insurance programs to insure race cars and their transporters, Collectors Choice/Antique Trucks, and we have now developed an insurance program to protect your investment in Model Trains. Your insurance coverage will be underwritten, rated and a policy will be issued by the staff of Gulfway Insurers providing you with unsurpassed personal service.

The insurance company providing the coverage for your Model Trains is Travelers – an insurer licensed throughout the United States. You can rest assured that if you do have a claim, it will be handled promptly no matter where the loss occurs because of Travelers' network of claims adjusters.

Program and Coverage Highlights:

- ✓ Physical Damage for scheduled property
- ✓ No Liability coverage provided
- ✓ Agreed Value coverage basis
- ✓ Coverage is not available for live steam engines
- ✓ Deductibles of \$500, \$1,000 or \$2,500 depending on the value of your property
- ✓ Coverage is included for listed Tools and Machinery on the premises if listed on the schedule. Maximum limit of \$5,000 is available.
- ✓ \$250 minimum annual premium

Application checklist:

- Fully completed, signed and dated application (both sides)
- Annual premium check made payable to Travelers
- Photographs of each train
- Appraisal of any item valued in excess of \$25,000.
- Return application and remittance by mail
- Photos can be sent either by mail or email
